

Abloy Cam Locks

ASSA[®] Desmo

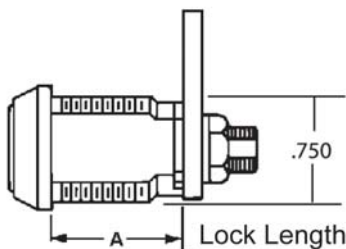

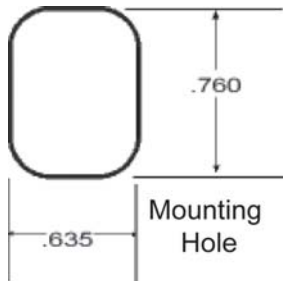

ASSA Desmo[®] is the leading cam lock for the Gaming industry. Due to its “easy entry” keyway and strong unbreakable key, ASSA Desmo[®] is the lock of choice for Casino’s

The key is constructed of silver nickel for lasting durability.

ASSA Desmo[®] incorporates a completely new locking technique based upon directly driven pins The Precision Drive[®] Pin System. Precision Drive[®] operates completely independent of springs. The pins are 100% guided by the operation of the key.
